=====

From 1952-1955 it was owned by Bernard Bryngelson and his wife Elphie. He worked for Powderhorn Realty which also used the address, so he was probably the business owner. In 1956 they were living there but it was also the address for a Geraldine Erickson, a bank clerk, possibly a room renter. From 1957 onwards it the residents change more frequently as the house was divided into apartments.
