SEA VOYAGES, with subsequent tours in foreign countries, cast a lure to which many travelers this summer will succumb. Scanning of steamship lists shows that the exodus is to be heavy.

Mrs. Franklin M. Crosby will take four members of her family abroad for a two months tour this summer. Those to accompany their mother are to be Miss Eugenie Crosby, who is at Smith college; Franklin M. Crosby, Jr., who studies at Yale university, and the two younger Crosby daughters, Olive and Carolyn. They will sail on the Berengaria from New York on June 26. They will meet Mr. and Mrs. Sumner T. McKnight, brother and sister-in-law of Mrs. Crosby, and their children in London. Mr. and Mrs. McKnight already are abroad. Mrs. McKnight has been in Europe for several months and Mr. McKnight and children joined her earlier in the month.

Mrs. Charles S. Jelley and her sister, Miss Jessie Hughes, of East Twenty-fourth street, left Wednesday on a summer's sojourn in Europe. They will spend two weeks in the east before sailing early in June for England.

Sailing Friday on the Montclare from Montreal for Europe, where they will spend several months, were Mr. and Mrs. Perry Harrison, Miss Elizabeth Harrison and John B. Harrison.

Mrs. J. R. Martin of Lake of the Isles boulevard and her daughter-in-law, Mrs. Gerald R. Martin of Lake of the Isles boulevard, have engaged passage on the Olympic, which is to sail from New York on June 9. They will travel in northern and southern France, Italy, Austria and Germany and later on the British Isle. They will meet Mrs. Gerald R. Martin's sisters, Misses Isabel and Helen Northrup, who are now in the Italian lakes region, with Mr. and Mrs. Crosby and their daughter, Miss Margaret Crosby of Boston. The party has been abroad for two years and does not plan to return to the United States until late in the autumn.
