

KENWOOD LANDMARK

Villa del Lago

2368 W Lake of the Isles Pkwy
Classic Italian Villa, Designed for Gerald Martin in 1913, by Architect James A. Burner.

Meticulous two and a half year total renovation resulted in one of the most beautiful and mechanically sound landmark homes on the lake.

Spacious living room, dining room and 24' tall entry, with grand staircase and leaded glass windows. 12' ceilings, 3 fireplaces, gourmet kitchen with butler's pantry, bar and sunny breakfast room. 3 bedrooms, 4 baths, library, greenhouse, elevator, and Canadian Tiger Fur paneled ballroom/family room. Large open spaces, total replacement of all mechanicals, lake views and spectacular decorating throughout by the firm of Spink, Inc, New York City, make this home a rare find!
