While George Reis, jr., the 4-year-old son of Mr. and Mrs. George C. Reis, of South El Molino ayenue, is elated over the prospect of going to Lake George for the summer because he loves dearly to be a passenger on his father's motor boat, he is glad that the family is not leaving for the east until early in June, for he feels that he must be present at the May day ball at the Hotel Vista del Arroyo on Saturday afternoon of this week.

He has several reasons for wish-

ing to be present, one of them being that he formed the habit of attending the junior charity ball about three years ago and hasn't missed a ball since that time. He is also greatly interested in the Pasadena Children's Training society, the beneficiary of the affair, because his mother is vice president of the auxiliary which is giving the ball.

Tickets for the ball are on sale at the Hotel Maryland, the Hotel Vista del Arroyo and Brown's Book shop.
