

'Mystery House's' Window Stolen

SAN JOSE, Sept. 25.—(AP)—Glass thieves took a \$1,000 glazed window and twelve jeweler made crystal chandeliers from the Winchester "mystery house" in Santa Clara County, Sheriff William J. Emig, reported today.

The house, occupied last by the late Mrs. Sarah L. Winchester, has scores of rooms and has been a tourist attraction for years. J. H. Brown, the caretaker, in reporting the theft, did not place a value on the chandeliers, which he said were collector's items.
